

## Blackwater River Correctional Facility

The Blackwater River Correctional Facility, located in the eastern city limits of Milton, is expected to employ more than 400 personnel. The facility, which is privately managed by The Geo Group, Inc., will provide services ranging from administration and education to health care and information technology with an average salary 15% above the county's current average wage rate of \$15.29 per hour. Workforce Escarosa has partnered with The Geo Group, Inc. and TEAM Santa Rosa to assist in recruiting a highly skilled workforce to meet their employment requirements.

As construction nears completion, Workforce Escarosa will be assisting The GEO Group, Inc. with their recruiting efforts. As plans are finalized, more information will be made available at this web site. Once positions become available, all postings will be accessible through the Employ Florida Marketplace at [www.employflorida.com](http://www.employflorida.com).

Please continue to check back with our web site at [www.workforceescarosa.com](http://www.workforceescarosa.com) for more information about GEO recruiting events and current job openings.
